Service Parts Price Adjustment Notification

Dear Valued A. O. Smith Reps,

As we are all aware the industry is still experiencing supply disruptions and significant inflation in raw material costs. Unfortunately, we must adjust service parts prices to compensate for increased costs.

Please find attached the price adjustment file **effective for orders entered after close of business on Friday April 29th, 2022.**

We ask that you please forward to your customers as soon as possible.

Please distribute this information to your customers and internal personnel.

For questions or concerns, please feel free to contact me.

Best regards,
