Manufacturer's Reps,

Effective June 1st 2022, Centrotherm will be implementing a 5% price increase. This price increase will be for Innoflue in the United States and for both Innoflue and Air Excellent in Canada.

Updated digital price books, price files and pricing tools will be available on or before May 1st 2022. Existing open quotations will be honored for 30 days past their issuance.

Centrotherm remains committed to delivering best-in class UL-1738/ULC-S636 venting systems, Air Excellent ventilation products and exceptional service levels to our valued partners and customers.

We appreciate your continued support as we implement these changes. If you have any questions, please call, or email us at info@centrotherm.us.com.
